	If proposed lender is not a local lender, explain how such lender will make and service the loan:	
	If proposed lender is not a local lender, explain how such lender will make and service the loan:	
	If proposed lender is not a local lender, explain how such lender will make and service the loan:	

	If yes, comment on quality of loans previously submitted and adequacy of servicing by lender in carrying out his agreements.
_	
	How long has lender financed this borrower?
	ENVIRONMENTAL REVIEW AND IMPACTS:
	1. Form FmHA 1940-22 Completed (Categorical exclusion)? 3. Environmental impact statement required?
	2. ☐ Form FmHA 1940-21 completed (Class I assessment)? If Yes
	☐ Class II Assessment? Draft Statement Completed (Date) ☐ Yes ☐ No
	Public notification completed?
	4. The following resource(s) apply to the assessment:
	Floodplain Wetland Important Farm Land Prime Rangeland Prime Forest Land Archaeological Survey Hazardous Waste
	Sole Source Aquifer Costal Barrier Historical Preservation
	Endangered/Threatened Species
	5. The environmental assessment or impact statement resulted in the selection of alternative courses of action other than that originally requested by the applicant:
	6. The environmental assessment or impact statement resulted in a mitigation measures(s) being required:
	If yes, summarize:
	n yes, summanze.
_	DOES THE APPLICANT HAVE A WORKABLE PLAN FOR:
	1. Collection of Delinquent Accounts:
	4. Necessary Operator Training: Yes No
